

INCLEMENT WEATHER

During the winter months, there is a chance that your 341(a) meeting COULD BE cancelled due to inclement weather. This could be either due to conditions in Flagstaff or areas where some people will need to travel from or through. It is imperative that you give us a contact phone number. If your hearing is postponed for inclement weather, you will be contacted by 9:30 am on the date of your hearing. If you do not receive a message of postponement, then your 341(a) meeting is NOT postponed. Failure to appear at a scheduled 341(a) meeting is grounds for dismissal of your case.

If you're not sure if your meeting is scheduled or postponed, call our office after 10:00 am the morning of your meeting/hearing at 480-951-8759.
